

DALLAS SOCIETY OF VISUAL COMMUNICATIONS FOUNDATION SCHOLARSHIPS

MAKE ART.

GET CHEDDAR.

With a career in visual communication, you can get paid to **FEED YOUR PASSION**. And with a scholarship from the DSVC Foundation, you could earn some serious bread (or cabbage, or bacon) to help you get started. Send pics of your most tempting creations, and your days of getting by on ramen could soon be over. Open to high school seniors in North Texas.
